

Parking

In the Corona del Mar Business District

Public Meeting

March 3rd, 2009 5:30pm
Sherman Library and Gardens

The City of Newport Beach, the Corona del Mar Business Improvement District, and the Corona del Mar Chamber of Commerce are hosting a discussion on the number one ranked concern of the Business District – Parking.

The City has a draft of a parking plan that you, as a business owner, need to review and understand. The City is seeking input into the study and this meeting will be one of the best opportunities you will have to make your opinions known.

The meeting will take 45 minutes for presentation of issues, followed by discussion from the audience for another 45 minutes.
