

## CORONA DEL MAR NEIGHBORHOOD READINESS TEAM

### PROJECT PLAN

**Purpose:**

Prepare residents for a major disaster.

**Objective:**

Using CERT as a platform, get Home Owner Associations, Apartment Homes and Village Neighborhoods (Sections) in Corona del Mar (CDM) to organize and prepare for an emergency or disaster.

**First Steps:**

- Create a Board
- Identify leaders within each CDM Section
- Create a Business/Marketing Plan
- Find out what CDM Sections have done

**Goals:**

- Near Term:
  1. Create a CDM umbrella organization
  2. Have each CDM Section create an organization structure
  3. Identify all CERT members by CDM Section
  4. Encourage residents to become CERT qualified and set numerical objectives by CDM Section
  5. Define a minimum set of emergency supply requirements
  6. Create a CERT liaison to each HOA Board
  7. Educate each HOA management company on the workings of CERT
- Long Term
  1. Acquire and store supplies
  2. Create disaster plans
  3. Hold drills
  4. Raise money
