CDM Business District

The Corona del Mar Chamber of Commerce & Business Improvement District
Present

Explore Corona del Mar

A free sponsored promotional event throughout the Village Business District designed to promote local shopping and encourage local foot traffic from our residents, farmer's market visitors, social media networks, and in celebration of the busy July 4th weekend.

Business Owners: We encourage all shops & business owners to place a table or sale item outdoors in front of your storefront in a creative & festive display. Think creative as to what will draw attention to your storefront (Colorful table cloths, flags, signs, a promotion, etc). Must leave a 6ft pedestrian clearance on sidewalk and an 18" clearance from curb face to allow passenger door access.

Participants/Walkers/Residents: Take the time to explore and discover the unique new businesses of the Cdm village and support the "Shop Local" environment.
