

PUBLIC WORKS DEPARTMENT

IMPORTANT NOTICE

EMERGENCY STORM DRAIN IMPROVEMENTS

Contract No. 8494-1

Dear Business Owner:

This letter is to inform you of emergency storm drain work required at Goldenrod Avenue and Coast Highway. The Contractor is scheduled to work intermittently at said location on the following days:

Tuesday, 11/13/18 to Friday, 11/23/18

If inclement weather is encountered, the Contractor is allowed additional working days to complete the project. Normal working hours are limited to 6:00 AM to 5:00 PM, Monday through Friday.

Traffic restrictions at and adjacent to the work locations will be required on days that work is to be performed. "No Parking, Tow-Away" signs will be posted warning that vehicles parked within the construction area will be towed away on work days. We request that you observe these restrictions and any other traffic controls in the area.

***** Access to East Coast Highway via Goldenrod Avenue will be closed intermittently. *****

Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

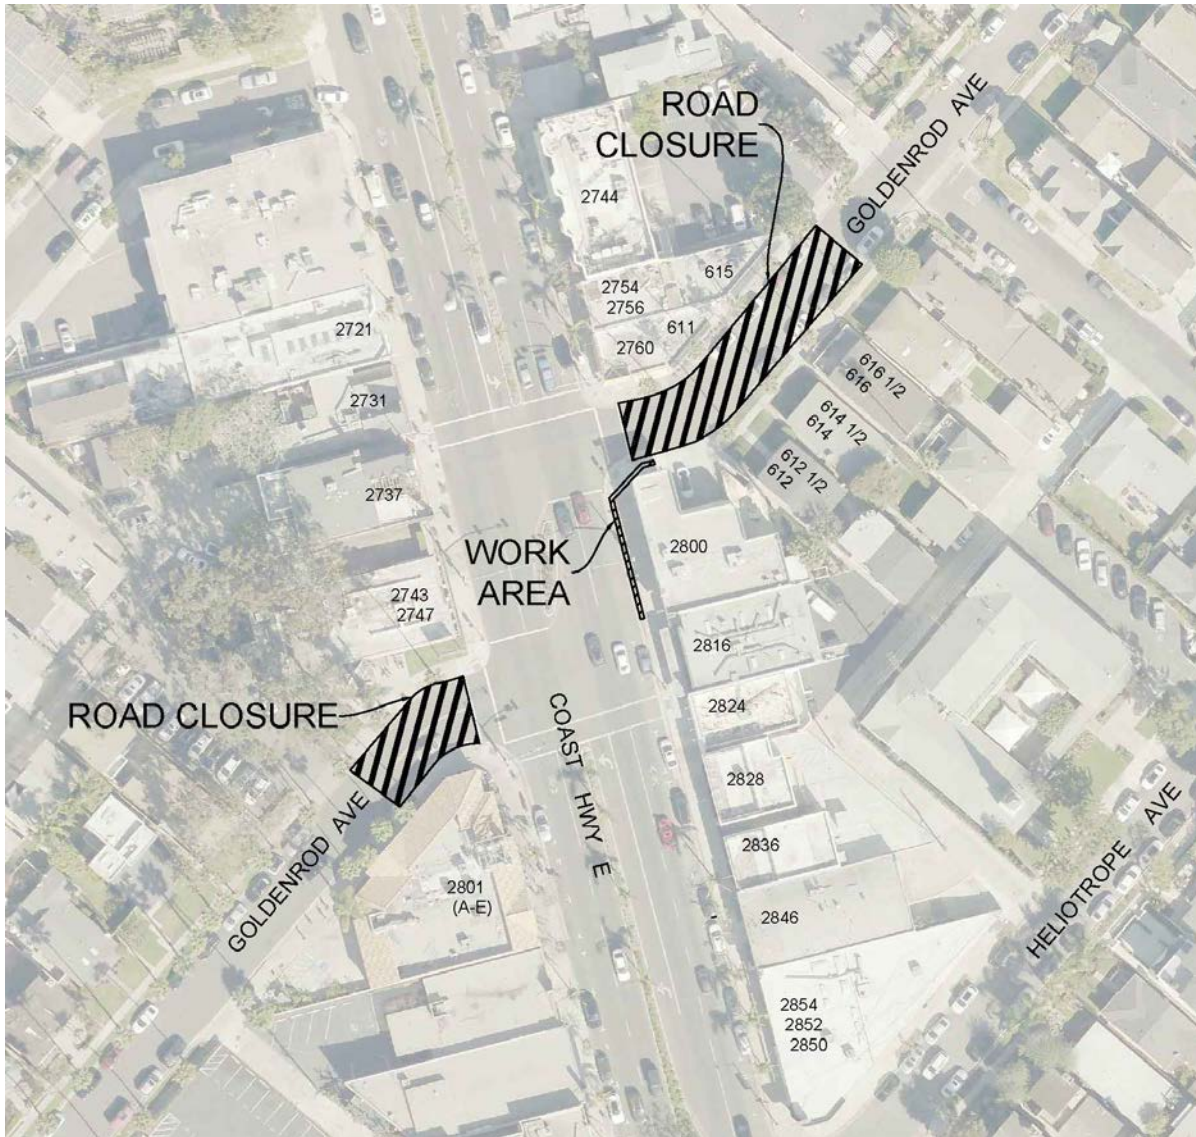

Your cooperation in making this project successful is greatly appreciated. Should you have any questions or concerns, please feel free to call:

- Zac Gentry, PW Project Inspector (949) 491-4251
- Cody Knudsen, GCI Construction, Inc. (951) 595-2110
- Ryan Helmuth, Sancon Technologies, Inc. (714) 412-3448
- Kathryn Cho, PW Project Manager (949) 644-3014

See reverse side for location map.
