

SPON's 46th Annual Meeting and Complimentary Brunch

Saturday September 30, 2023 at 10:00 A.M.

Oasis Senior Center

801 Narcissus Ave, Corona Del Mar, 92625

It is time to send in your reservation for SPON's Annual Meeting to be held Saturday September 30th.

The meeting will be held at Oasis Senior Center. The event opens at 10:00 A.M. Members and non-members are welcome to attend. There is no cost to attend, and a complimentary beverages and morning snacks will be served. Members and non-members are welcome to attend.

You can make a reservation to attend by email to info@spn-newportbeach.org or text to Membership Committee at 949.683.6130.

Nancy Gardner is our keynote speaker this year. Nancy is a former City Council member and Mayor. She currently serves on the City's General Plan Update Advisory Committee. She will provide insight into the progress of the update and the next steps in the process. The biggest question facing the residents is:

Will our new General Plan be the demise of Greenlight?

If you follow City business, you may have heard about the State of California's housing mandates that will require us to plan for 1000's of new residential units in Newport Beach.

- How will we accommodate those new units without sacrificing our small Beach town atmosphere?
- How will our infrastructure and public services be impacted by such a large increase in population?
- What new and yet unknown technological advances will help or hinder our planning process?
- What will the impact of the vote on our General Plan have on Greenlight???

If you are interested in learning more about this hot topic, please join us for this informative and fun event.

Your reservation will allow us to set up the proper number of chairs and tables and have adequate beverages and food. Please respond as soon as possible. RSVP at info@spn-newportbeach.org

Thank you.
