Lookout Points Ocean Blvd. Bluff Walk Corona Del Mar/Newport Beach

Ocean Boulevard Workshop No. 1

All attendees said these items need to be improved

- Parking Management
- Code Enforcement

A majority of attendees wanted these items improved

- Maintain green areas and designate as official park
- Remove firepits on the beach
- General beautification of walkway and green spaces (handrails, fencing, benches, trash cans....)

A majority of attendees absolutely did not want these items

- Do not widen sidewalks
- Do not impact views, no new trees or shade structures

East Coast Hwy Beautification – Seaward to Pelican Point Dr.
