This entry fee, along with any other donations, directly supports lab programs. KML is part of a nonprofit organization and all donations made are tax deductible and greatly appreciated.

Event Info

Please join us at KML for "front shore" seats to the 116th annual Newport Beach Christmas Boat Parade! Guests will enjoy prime viewing for the boat parade and live holiday music. Additional opportunities to participate in fun marine-themed activities and tours will be offered. Dinner and beverages will be provided along with a silent auction. This is mostly an outdoor event, so we encourage all guests to dress warmly. Valet parking and shuttle services will be provided for guests on Ocean Blvd at the top of the hill during the event.

Please RSVP: sranson@caltech.edu or call (949) 675-2159. Space is limited!
