MEET CODE ENFORCEMENT STAFF

John Murray, Supervisor

I am currently in my 24th year of service with the City of Newport Beach. I am a Certified Code Enforcement Officer through the California Association of Code Enforcement Officers and a Certified Residential Building and Mechanical Inspector through the International Code Council. I serve as the Code Enforcement Supervisor, a role in which I plan, organize, and oversee the day-to-day operations of the Code Enforcement Division.

Jonathan Munoz, Officer II

I am a graduate of California State University, Fullerton, and have nine years of experience in municipal code enforcement. As a Certified Residential Building Inspector and Certified Code Enforcement Officer, I am dedicated to maintaining safety and compliance within the community. Being bilingual in Spanish allows me to effectively communicate with a diverse range of workers throughout the city, helping build stronger connections and a better understanding of the City's regulations.
